22nd August, 2022

Respected Madam/ Sir,

The National Education Policy, 2020 states that the nation requires a significant expansion of its research capabilities and output across discipline, if India is to become a leading knowledge society again. In order to promote a strong and vibrant higher education ecosystem with an emphasis on research, innovation and technology development, the UGC has published "**Guidelines for Establishment of Research & Development Cell in Higher Education Institutions**", and uploaded on the UGC website (https://www.ugc.ac.in/pdfnews/6347789_RDC-Guideline.pdf). Since many HEIs have already established Research and Development Cell in their campuses, their knowledge and experience would be valuable resources for other HEIs in establishing one. It is with this aim, UGC brings together Director, Research and Development Cell of select HEIs on UGC's social media platform on **23rd August, 2022 at 10:00 am**, to share their experience and knowledge in establishing and running Research and Development Cell with you all.

The lecture will be live webcast on **Twitter handle** at @ugc_india and **Youtube channel** of UGC at <https://youtube.com/channel/UCIbbWYTjSiXnhShJ0Z1-05g>

I take this opportunity to invite you to kindly join the online lecture and also request you to bring this to the notice of all faculty members and students of your institution and encourage them to join the programme.

With kind regards,

Yours sincerely,

(Rajnish Jain)
