Dear Dr. Beg,

This refers to your letter dated 25th October, 2018, seeking the opinion of the undersigned, regarding the estimate for upgradation of the existing version to the latest version of Web Centric LSEase LMS which is as under :

1. As the LSEase software is proprietary software, its price cannot be compared with any other software (since it is not available in the market). So far, its price is concerned, it depends upon your negotiation, we have nothing to say.
2. The only precaution is to be taken is that the annual maintenance cost should be the percentage of the purchase cost rather than the current cost of the software.

With regards,

Yours sincerely,

- The average annual expenditure on books and journals for the last five years was Rs.302886

The number of teachers and students visiting the library for the last five years is as follows:

Year	2022 – 2023	2021 – 2022	2020 – 2021	2019 – 2020	2018 – 2019
Teachers	1575	975	062	1365	1609
Students	21553	13018	4990	14387	26798

- The average number of everyday visitors to the library is 98.
- Here it is important to note that from 16th March 2020, the college was closed for students till 17th February 2022 due to the lockdown restrictions because of Covid-19 pandemic and entry of teachers was also restricted. Another significant aspect is that since the lockdown was imposed in 2020, the online usage of the college library increased greatly and extensive use of online resources available on the library webpage was witnessed.
