Subject: **Sponsorship Proposal for Enactus Zakir Husain Delhi College (Evening), University of Delhi for the Academic Year 2026-27.**

Dear Sir/Madam,

Zakir Husain Delhi College (Evening), a constituent college of the University of Delhi, carries a rich legacy of academic excellence and social commitment. Named after Dr. Zakir Husain, former President of India and a renowned educationist, the college reflects a tradition of learning, inclusivity and nation building. With a diverse student community and vibrant societies, the college encourages creativity, leadership, innovation and social responsibility among young minds.

Enactus ZHDCE is a student-led society committed to using entrepreneurship and innovation to create positive social and environmental impact. We encourage students to identify real-world problems and develop practical, sustainable solutions. Last year, Enactus ZHDCE worked on an affordable air-purifier project aimed at making air purification more accessible while addressing the growing challenge of air pollution. Through such initiatives, we strive to transform innovative ideas into meaningful action and create lasting social impact.

We believe your organization can play a valuable role in supporting this vision by sponsoring Enactus ZHDCE. Your support would enable us to strengthen and expand our projects, procure necessary resources, organize impactful initiatives and scale our social impact. In return, sponsorship would provide your organization with an opportunity to associate its brand with youth-led innovation, entrepreneurship, community development and social responsibility. We would be grateful for the opportunity to discuss our sponsorship packages and explore a mutually beneficial partnership.

We look forward to the opportunity to work together towards creating meaningful and sustainable social impact.

Yours Sincerely,

Prof. Rajanikant Verma
Convenor, Enactus Society
